It is possible that a Wisconsin court would find these two provisions to be a "private or local." Under Article IV, section 18, of the Wisconsin constitution, such provisions must be enacted as single-subject legislation and cannot validly be enacted as part of the budget bill, which clearly encompasses more than one subject. In light of this, the committee may wish to consider introduction of this legislation as a separate bill.

Note that I have exempted the cities of Racine and Oconto from the matching fund requirements under s. 30.92 (4) (b).
